Walking Together: Sowing Seeds of Hope

September 1 – Celebrating the Season of Creation

“[We are called] to accept the world as a sacrament of communion, as a way of sharing with God and our neighbors on a global scale. It is our humble conviction that the divine and the human meet in the slightest detail in the seamless garment of God’s creation, in the last speck of dust on our planet.” (Patriarch Bartholomew, *Global Responsibility and Ecological Sustainability*, June 2012)
